I always think of the Sorted Books as sculptural, and try to work with the physicality of the books as much as possible – this is as meaningful an element as the text is, but I never lose track of what the written matter means, of course. By closing this banner or by Sorted Books to use Eventbrite, you agree. Because many of Strindberg's books were extremely fragile, I spent three days taking digital pictures and writing down book titles on notecards.
