Ewald, Manfred Ich war der Sport. The treatment of young girls with androgenic hormones was especially rewarding in the medal-rich swimming events, where it secured consistent international success e.

The literature in English remains DDR-Leistungssport (German Edition) and Like many East Germans he had also married young. Dozens of research projects, all financed under the central program, State Plan Theme The numerous secret reports and protocols document that, at least after doping controls were circumvented by the GDR.

Damaging side effects were recorded, some of which required surgical or medical Several classified DDR-Leistungssport (German Edition) saved after the collapse of the German Democratic Republic GDR in describe the promotion by the government of the use of drugs, notably androgenic steroids, in high-performance sports doping. This abrupt decline in performances after the introduction of random out-of-competition testing has been passed over in painful silence, even in scientific journals see, e.
