Just as the title indicates, Ms. It is premised on the belief that students learn new information best when they have a "schema" or framework that allows them to think logically about the information. It also contains a wealth of material, both in the book and digitally, on preparing for exams. Parrish, Cristina C. New law students learn how law school differs from the undergraduate experience, and the implications of that difference for such essential exercises as class preparation, note taking, exam preparation, and exam taking. Just as the title indicates, Ms. It helps students identify their strengths and weaknesses and organize their efforts. M64LawSchoolLife. This book is designed to help students navigate the intricacies of law school exams. M38
