The only thing good about it is a great keyboard solo followed by a decent guitar solo. Due to the very small budget and amount of time allotted to create it, When Dream and Day Unite was rushed by Terry Date, and the sound of the album was hindered greatly. Dream Theater had to buy their way out of their contract after this album's release, citing dissatisfaction with the label and an inability to escape their 7 album contract.

The album opens with the speedy "A Fortune in Lies". Talking about production. The band was originally formed in by founding members John Myung bass, Mike Portnoy drums and John Petrucci guitar under the name Majesty, which was inspired by Portnoy's commentary on the ending of " Bastille Day " by Rush. In general, obscure lyrics own the hell out of blatant, unimaginative lyrics. This album is a masterpiece, but there are some things that bring it down from a record deal, they were signed to the newly formed record label Mechanic in June So, though they've done much better, when put in the spotlight, this album still shines.
