Most countries do not recognize Somali identity documents, leaving Somalia with few options for travel document verification and regional partners unable to properly vet Somali travelers. Advisor Bach, Robert. Active shooter situations can transform into hostage situations as in the Orlando attack and the Bataclan theater segment of the Paris incidents.

CounteringViolentExtremism:TheSomaligovernmentistakingstepstoinit

The seriousness of the Paris attacks resulted in the activation of the Plan Blanc White Plan which called upon 40 public hospitals in the city to marshal additional staff, cancel non-urgent procedures and create space for the influx of prospective victims. If terrorists decide to hit a major hospital as well as a primary target, the misery index will increase dramatically.
