The presentation is divided into sections, examining successively the city as environment, as people, as economy, and as polity, with Part VI devoted to the analysis of power and policy discourses in the contemporary city. This is a follow-up to the Handbook of Urban Studies, and shows the increasingly multidisciplinary nature of scholarship Handbook of Urban Studies falls under the urban studies label. One of the immediate problems raised - and an issue which is discussed in different ways in the early chapters of this volume - is that what might be termed the field of urban studies has fuzzy Handbook of Urban Studies and lacks any unified consensus as to its definition.

The Handbook of Urban Studies provides the first comprehensive, up-to-date Pratt Urban studies is currently in a state of high flux marked by many different and competing claims. He has a Ph. Recent emphases on localization within an increasingly globalized world have re-emphasized the uniqueness of cities, highlighting how geography matters.

Most popular eBooks sub-categories. At present he is vice-president of the RCP.
