Thus, eLearning is a highly eco-friendly way of learning. Guidance on what you can do to ensure you have the best start on your trainee placement, including a visit to the school and familiarising yourself with policies and procedures. Check out our training videos page for more information and video examples.

Companies now have access to all kinds of digital tools like training videos and so on. Depending on the age and maturity level of your class, this can be brief or extensive. As a trainer it is essential that you get your message across - otherwise your effort to train will be wasted. This can lead to a loss of your credibility. The lecturer may then improvise, and he or she may be vague or may forget important elements.
