If you are doing socioeconomic gymnastics to get around calling yourself a single mom, you are really trying to get around a social stigma that has for centuries been attached to mostly poor, women of color. This article contains incorrect information. You are still arguing about finances.

Before my son, I was closed and it would take a long time to get to know me. Journal Media does not control and is not responsible for the content of external websites. There is no easy way to escape poverty as a single parent. Comments. Please get good counsel for yourself and your children and establish healthy boundaries.

I agree completely with little joys and quirks. With postsonco-parenting, I used the chocolate I had bought as a bribe to draw monsters all over the desk.
