Following the Arab Spring, the hope for political and social change has been widely raised and celebrated in the Middle East. Balee was a friend of Darrell Posey, and their work together got Balee thinking about the extent to which the Amazon rainforest is a product of human productive activities and not entirely natural processes.

UniversityofQueenslandLibrary. Other topics of discussion have been the assumed dilemmas between science and art; questions of accuracy, fairness, and objectivity; the appropriateness of the conventions of documentary realism; the value of film in the teaching of anthropology; the relationship between a written and a visual anthropology; and collaborations between filmmakers and anthropologists and the native production of visual texts. Fiske, Shirley J. Languageextinctionanditsenvironmentalimplications.Philadelphia: University of Pennsylvania Press,
