Our bloggers have weathered the back-to-school mania for many years. Nearly every parent wonders,...

My son will start kindergarten in August, and with my hubby and I both working a

I appreciate that you mentioned that you should start encouraging them to clean up toys and be responsible for their actions. Create a lunch plan.

Learn what school readiness really means and how to prepare your kids. I really teach them to open packages of crackers and granola bars, open straws and put them in their drinks. There are many students at my school who enter the upper grades still unable to tie shoes because they have always had Velcro shoes.
