The presence of a mascot was designed to uplift morale and many were used to this effect in the trenches of World War I. Instructors will tell them to "drop the purse" so they lower the leash and assume a more relaxed hold of it. This stimulates and develops the dog's natural instinct for companionship. William A. While each MWD is trained to detect either explosives or narcotics by the time they graduate DTS, handlers must train with them to learn each dog's specific behavior when they pick up a scent. The dog in question might be an officer's dog, an animal that the unit chose to adopt, or one of their canines employed in another role as a working Military Working Dog Program. When an MWD is trained to detect specific odors it will show a "change of behavior" when it encounters it.

Belgian dog strained to draw machine guns. Posted by Ron on Jan 16, Volunteer foster families take great pride in raising the puppies, like the one pictured .
