I was talking to this really interesting guy for about a week and then he just disappeared! This made the girl mad she got him so far on drugs that he lost his house she sold all his property for drugs he lost his job when we were hanging out and he got a new job and was trying to get his life back and getting off the drugs.

Reality is usually far from perfect. My relationships were a mess and no one would be having unmarried friends and you not get out of marriage and be unmarried like. Keep your options open without getting committed to the wrong girl.

You could still share your feelings with him privately. Yes I had met this guy on such social sites and had told clearly it's just friendship and no hookups but unfortunately I guess that was the key to play
