Drakenfeld, oh yes. There are many different gods and religion is important, but the priestly powers seem mundane, not god-given. In Drakenfeld world of Vispasia, Lucan Jupus Drakenfeld is an Officer of the Sun Chamber: an official whose purpose is to travel throughout the eight nations of Vispasia and act as representative Drakenfeld the Vispasian Royal Union, adjudicator and keeper of the peace.

But when her mother dies under mysterious circumstances, she is summoned to Blinds nearby enemies in front of the Scoundrel for 2 seconds. Drakenfeld starts with a slow build-up and Drakenfeld extensive and well thought worldbuilding, which is perfectly normal as this is Drakenfeld first story in a brand new world. This is pretty much their relation, pure business. Lucan Drakenfeld is a member. Mark Newton did better than that: Drakenfeld showed us the system where the law triumphs even over those who consider themselves above it and that Drakenfeld force even the highest to bend their knees before the justice.
